

Cabin Renovation

I'm looking for volunteers for a service trip the weekend of March 27. We will spend the weekend renovating a cabin in the Shenandoah National Park for use by the Potomac Appalachian Trail Club. The project has been ongoing for about 6 years and is nearing completion. A group meets every month or so to work for the weekend. Work ranges from mowing the trails to putting in new windows to building furniture. I've been out a dozen or so times since the project started and its always a lot of fun.

Info:

The trip is **March 26-28** in the Shenandoah National Park (about a 3 hour drive). We can leave either Friday afternoon or early Saturday morning. You will need to bring food for Friday night (if we leave Friday) and Saturday morning and afternoon. Saturday dinner through Sunday lunch is provided for \$15 per person. You will also need a sleeping bag. The info put out by the person in charge of the project is attached.

Please respond if you're interested and let me know if you're willing to drive.

Thanks!
